BIO

Meet The Real Jason Duncan, a renowned entrepreneur, best-selling author, TEDx speaker, and podcaster, who is dedicated to helping fellow business owners find their true purpose in life. He believes that anyone can run a profitable business in under 10 hours a week, and he's made it his mission to show others how. Jason is the founder of one of America's fastest-growing privately held companies, and his success story is truly inspiring. He started as an unemployed schoolteacher, but he managed to launch his own thriving business in 2010. Today, he shares his wealth of knowledge and experience through his mastermind program, The Exiter Club, his internationally-syndicated podcast, The Root of All Success, and his book, *Exit Without Exiting*. His proven method, #ExitWithoutExiting, is all about breaking free from the daily grind of business operations, so you can focus on what really matters in life. But he's not just in it for himself – he's committed to helping 10,000 people escape poverty and mediocrity through entrepreneurship. Based in Nashville, Tennessee, Jason is a family man who loves spending time with his high school sweetheart and their two grown children. In his free time you'll find him riding motorcycles and camping. His passion for life is contagious, and his dedication to empowering others is truly inspiring.
