### BIO

Meet The Real Jason Duncan, entrepreneur, best-selling author, TEDx speaker, and podcaster, who is dedicated to helping fellow business owners find success and balance. He believes that entrepreneurs can build successful companies without sacrificing their lives on the altar of business, and he's made it his mission to show others how. Jason is the founder of one of America's fastest-growing privately held companies, and his success story is truly inspiring. He started as an unemployed schoolteacher, but he managed to launch his own thriving business in 2010. Today, he shares his wealth of knowledge and experience through his mastermind program, The Exiter Club, his internationally-syndicated podcast, The Root of All Success, and his book, *Exit Without Exiting*. Determined to help entrepreneurs regain their freedom and balance, he developed the revolutionary XOS™ Method (Exiter Operating System). This system empowers entrepreneurs to liberate themselves from daily operations, focus on building their assets, and lead balanced lives without forsaking their families. Based in Nashville, Jason is a family man who loves spending time with his high school sweetheart and their two grown children. In his free time you'll find him riding motorcycles and camping. His passion for life is contagious, and his dedication to empowering others is truly inspiring.
