In **Jason's signature talk**, he reveals the dirty little secret most entrepreneurs won't admit: they are trapped in their business. Most people start businesses to get more freedom and more money, but they end up working longer hours, are stressed out, and become a slave to their business. Jason shares six simple steps to help you break free from this trap and begin living **the exit lifestyle**.

HOW TO SURVIVE WHEN THE \$HIT HITS THE FAN

A survival guide on what to do when things go in the direction that you least expect! This talk centers on the **Law of Adaptation**. Jason spent 13 years in pastoral ministry and four years as a school teacher before he became an "**accidental entrepreneur**" in 2010.
